RESEARCH SCHOLARSHIP

Ref^a HSoil4Food_Perfil 8

[Portuguese version](#)

A call for tenders is now open for the attribution of one Research Scholarship within the scope of the project **HSoil4Food - Healthy soils for healthy foods** (NORTE-01-0145-FEDER-000066) co-financed by the European Regional Development Fund (FEDER) through the Northern Regional Operational Program, under the terms of the Notice of Opening of Application No. NORTE-45-2020-75 - Support System for Scientific and Technological Research - “Structured R&D&I Projects” - Horizon Europe, under the conditions set out below.

Admission requirements:

Applicants for the Research grant must, at the time of application, be registered or present proof of conditional registration for degree in the scientific areas of Law.

Candidates must have good command of the English language and a Law degree (undergraduate) with a minimum of 15 (out of 20).

As preference factors we will consider research interests and experience in the fields of Administrative Law, Environmental Law, as well as enrolling in a Master's Degree in Administrative Law and Environmental Law in particular.

Work Plan:

The work to be carried out involves researching and collecting legal regimes regarding the use of agro-biological resources. It is relevant to survey the existing legislation on biostimulants, biofertilising products and traditional fertilisers or any other type of agro-genetic resource, highlighting the differences in regulations, if any, and the reasons for them. The research and analysis should be carried out in a multi-level perspective of international, European and domestic law. In addition, comparative analysis with other legal systems will be very relevant and legally useful in order to achieve a comprehensive, uniform, and integral legal approach.
